ONE HUNDRED DOLLARS

This Was the Penalty Imposed Upon Persons Captured by Detective Richardson.

SEVERE MEASURES WERE ADOPTED

And Imprisonment of One Hour Was Prescribed in Addition to the Fine—The Cases Appealed to the Corporation Court and the Parties Bailed—in the Other Courts.

Justice Burroughs' docket yesterday was small and void of especial interest.

RICHARDSON MADE HAPPY.

Those who have been under the impression that Justice Burroughs is inclined to view leniently the charges against the women arrested for keeping houses of ill-fame, were disappointed yesterday. Detective Richardson, with other officers, again raided the houses kept by Mollie Hogwood, Libbie Land and Kittle Wilson, on lower Church street, on Sunday morning last, and arrested the women on the same old charge, namely, of being the proprietresses of houses of ill-fame. The women were bailed for their appearances before the Police Court yesterday, when after hearing the evidence, Justice Burroughs made the detective happy by fining Mollie Hogwood and Libbie Land \$100 each and giving them one hour in jail. Kittle Wilson was too sick to appear, so her case was continued. Counsel for the women took an appeal to the Corporation Court, and they were bailed in the sum of \$150 each for their appearances. Mr. William F. Lintz entering as surety.

THACKSTON RELEASED

The little 13-year-old colored boy, named Alexander Thackston, who was arrested on last Saturday evening by a citizen and taken to the police station on the charge of stealing a lot of lead pipe, was released by Justice Burroughs yesterday, as the complainant did not appear to prosecute the case.

NOT IMPLICATED.

For some time past Jailer Louis Friedman has been mixing clothing and other articles from his home, on Fenchurch street, and had reason to suspect a colored girl named Mary Lamb. Accordingly, in company with Detective Williams, and armed with a search warrant, he went to her father's house, in Princess Anne county, on Saturday, to search for the stolen goods. They were soon rewarded by finding a number of the articles, but the woman had flown. Her father, Monroe Lamb, was arrested on suspicion of being implicated in the theft and was taken to the Police Court yesterday. The old man proved to his Honor that he knew nothing of his daughter's stealings and he was released.

THE PISTOL WAS CONCEALED.

Jim Williams, colored, was arrested on Saturday evening for drawing a pistol during a difficulty with another colored boy, on Park avenue, in Brambleton. In the Police Court yesterday Williams tried hard to prove that the pistol was not concealed from common observation, as required to be by law in order to convict. The evidence, however, was against him and his Honor fined him \$25. His Honor also issued a warrant against him for breach of the peace. As he did not seem to be the aggressor, Justice Burroughs dismissed this latter warrant against him.

MINOR OFFENSES.

Parney McCue, white, profanity; fined \$1 and costs.
William Tait, colored, suspicious character; confined five days.
Henry Edie, colored, cruelty to animals; fined \$5 and costs.
C. Moschab, Barney McCue, H. Heekow, Sam Talbot, K. Bush, white, drunk; fined \$1 and costs.
Fausham, white, drunk; dismissed.
Madeline Collins, white, breach of the peace; fined \$1 and costs.
P. W. Stone, Mathew Ryan, Charles Bennett, white, drunk; fined \$1 and costs.

Corporation Court.

Yesterday was a very quiet day in the Corporation Court. The docket was called and the cases ready for trial were set.

A number of petty civil matters of minor importance were heard by the Judge, and the court adjourned.

Court of Law and Chancery.

The whole of yesterday was consumed in the Court of Law and Chancery in the trial of the case of Ida E. Oliver vs. the Mutual Life Insurance Company. The object of the suit is to recover \$2,000, the amount of insurance on the life of Mr. Charles R. Oliver, deceased. The case is a complicated one, owing to the fact that Mr. Oliver was not in possession of the policy at the time of his death, which was the result of an accident while he was gunning. The beneficiary under the policy alleged that the failure to possess the policy was due to the failure of the insurance company to deliver same after it had been taken out. Many nice legal points are involved, and the verdict will be watched with interest by the insurance agents and companies, as it will form a precedent for similar suits to follow if the plaintiff is successful.

Attorney E. R. Baird represents the plaintiff, and Messrs. Cole and Shuttice the defendants.
The case will not go to the jury tonight as they were adjourned about noon until tomorrow. The attorneys will be arguing on the instructions at 7 o'clock last night, and it is inferred from the hard fight they are making over said instructions that the verdict of the jury will depend on how the judge instructs.

A similar case, that of Kate Oliver vs. the same insurance company, will be tried as soon as the above case is concluded.

Children Cry for

AMUSEMENTS.

MARIE WAINWRIGHT.—On Wednesday, Nov. 13, Marie Wainwright, who is always warmly welcomed here, will begin a two nights' engagement, presenting on the first night Sheridan Knowles' charming comedy, "The Love Chase," which is gorgeously turned in the style of Charles II. The Brooklyn Times said:

"Marie Wainwright made her initial appearance as Constance in Sheridan Knowles' charming comedy, 'The Love Chase,' at the Amphion last night. The star and her company may honestly be accredited with success. The star is especially fortunate in her support. Her company is composed of very capable people."

On Thursday Miss Wainwright will present Tom Taylor's famous comedy-drama, "An Unequal Match," cast to the full strength of the company.

The sale of reserved seats will open this morning at usual prices.
"THE WHITE SQUADRON."—The new "White Squadron" will be the attraction at the Academy of Music next Friday night. In the third act, the great military scene, the Congress of Navies, appeals directly to the patriotic spirit of every nationality, and, as the naval officers of this Government are represented as being in the breach on every occasion, there is no lack of inspiration for local patriotic enthusiasm. Over one hundred people are seen in this act, as officers, marines and sailors of the war vessels of the several participating nations. The sale of seats will begin this Friday morning.

"HIT TO O'CEANS."—Kate Claxton, supported by her own company, presented "The Two Orphans" at the Academy of Music last evening. Miss Claxton essaying the role of Louise, in her usual clever manner.
Theatricals of this city are, perhaps, as familiar with the play of "The Two Orphans" as any other on the boards, and despite the fact that it has been presented many times here, the Academy last evening contained a good-sized audience. The Chevalier De Vaudry of Reval Germany, the Henrietta of Blanche Weaver, the Pierre of W. P. Clifton were all clever impersonations, and upon the whole, the entire performance was highly satisfactory.

AMONG THE MINISTERS.

The Proceedings of the Several Meetings Yesterday.

The Presbyterian ministers' meeting was largely attended yesterday. Arrangements were made for holding a series of evangelistic services at the Princess Anne Chapel, beginning November 24th. A joint thanksgiving service will be held in the Second Presbyterian Church on the day appointed by President Cleveland for national thanksgiving. Rev. Dr. R. H. Howland will preach the sermon. The First and Second Churches unite in the service.

The meeting of the Baptist ministers was also largely attended. Rev. Geo. S. Kennard, of South Street, Portsmouth, reported five additions yesterday. At Berkeley Avenue, Berkeley, Rev. H. N. Quisenberry baptized two. At Spurgeon Memorial three were added to the church. At West Norfolk a Baptist Church will be organized Wednesday night. The church promises to be vigorous from the start. Rev. J. C. Craig, of North Carolina, will probably be called as its pastor.

Nothing but routine business was transacted by the Methodist ministers yesterday.

Talking About a Financial Panic.

Paris, Nov. 11.—The Gaulois says that the Minister of Finance has consulted M. Magnin, Governor of the Bank of France, as to the best means of preventing a crisis culminating in a financial panic. M. Magnin stated that the Bank of France had sent \$1,000,000 sterling to Constantinople to enable the Ottoman bank to withstand the run that was being made upon that institution.

M. Doumer, Minister of Finance, presided over a conference of leading financiers held today with a view of agreeing upon concerted action to meet the situation and re-establish the equilibrium of the money markets.
The conference resolved that the utmost assistance should be rendered to outside financiers, securities, etc., in order to avert a financial crisis.

Baptist Missionary Work.

The Virginia Baptist Foreign Mission Board held an interesting session in the study of the Freeman Street Church yesterday at 1 o'clock. The following members were present: Rev. W. H. Thorton, Owen, Leake, Mitchell, Kennard, Quisenberry, and Dunaway. Rev. Dr. Owen, secretary, read the annual report, which paid a magnificent tribute to the memory of the late Rev. Dr. T. G. Jones, of this city. It also revealed the fact that the Virginia Baptists gave more to foreign missions during the past year than in any year during their history.

Dr. J. D. Ennes left Monday evening for a trip North to purchase equipment for large and capacious Dental Parlors to be opened at the Southwest corner of Fifth and Broad streets, Richmond, Va. These parlors will be a branch of the now famous "New York Dental Parlors" at 162 Main street, Norfolk, Va. The branch parlors will be opened about December 1st under the name of "Newest Discovery Dental Parlors," owing to his wonderful popularity won by his aesthetic for the painless extraction of teeth in this place.

He informs us that the branch dental parlors at Richmond will be equipped with two operating chairs, and all other modern appliances for turning out gold plate, porcelain bridge work, etc.; in fact the highest standard of dental art will be maintained throughout. There are two operating rooms, two reception rooms, with two skillful operators, graduates of New York Dental College, in attendance. KEEP PREPARED.

The Slogan of the Business and Professional Man.

THE SURE HOPE OF THE BUSY BRAIN-WORKER.

The Only Protection of Those Who Work and Toil—Keep Yourself Strong, Vigorous and Well by Dr. Greene's Nervura Blood and Nerve Remedy.

Nothing contributes to success like preparation. In every department of human activity this truth is constantly illustrated.

During the war of the rebellion the issues of battles were quite as often decided by the relative conditions, as by the strength of forces. The general or commanding officer who was best prepared to meet the day, the surprised army was generally routed.

So in our daily affairs, the professional or business man who is constantly prepared for emergencies conquers his circumstances, emerges from every difficulty triumphant, and is a success; while the men and women whom events find unprepared are overcome or injured in their several ventures. Preparation is half of any battle in life.

So it is in regard to our health. If we keep our system in a sound condition to meet the various conditions of weather, the prevalent possibilities of contracting disease, and especially the great strain, wear and fatigue of our busy, rushing daily life, we are always protected against these dangers.

The first requisite is pure blood and strong nerves. They command health, and exempt us from the liability of sickness.

Don't neglect it. Don't think because you are comparatively well you are safe. It is not so. The blood needs constant attention. It requires toning, needs correcting often before it gives any sign. The nerve force, the nerve energy and strength are being constantly used up in business, pleasure or dissipation, and our brain and nerves require strengthening and invigorating. Keep well and strong by taking Dr. Greene's Nervura blood and nerve remedy. Its chief merit is that it not only cures weakness and disease, but it is a sure preventive of breaking down from over work or other causes; a sure renewer of strength, power and vigor. It is recognized everywhere as the greatest medical discovery of the age because of this grand quality. It makes you well and keeps you well.

FREDERICK P. COGGESHALL.

Mr. Frederick P. Coggeshall, the veteran bookseller of Lowell, Mass., used it and it made him well and kept him strong to work, vigorous to think and to plan, full of power, energy and ambition. He says:

"My trouble was an affection of the head. I would go to bed and sleep like an infant all night, but would wake in the morning with a terrible pain in the head, which utterly incapacitated me for business. Getting no relief from remedies tried, a friend recommended me to take Dr. Greene's Nervura blood and nerve remedy. I took the advice of my friend, and after taking it four or five days I began to experience great relief and was soon able to attend to business."

"If restless or troubled with insomnia at night, I always take a dose of Nervura and get immediate relief. The invigorating qualities of this medicine are simply marvelous and after four or five doses I feel all right again. Other members of my family have used the Nervura, and I strongly recommend it to all persons of a nervous temperament, or those suffering from undue mental or physical strain."

Why waste time in trying uncertain and untried remedies, when here is a physician's prescription, a discovery made by the greatest living specialist in curing nervous and chronic diseases, Dr. Greene, of 35 West 14th street, New York City. If you take this medicine you can consider yourself under Dr. Greene's direct professional care, and you can consult him or write to him about your case freely and without charge. This is a guarantee that this remedy will cure, possessed by no other medicine in the world.

HUNTERVILLE.

Rev. J. G. Lennor will leave to-day for Conference, which convenes in Richmond, Va., to-morrow.

The Sewing Circle of the Methodist Church met with Mrs. Pearce, of Outen street, yesterday afternoon. Citizens in the outskirts of the city are taking measures to have abated a nuisance emanating from a guano factory in the vicinity of Lindenwood. It is reported that the stench therefrom is so unpleasant as almost to drive some residents from their homes.

Mrs. A. V. Nichols, of 558 Church street, has gone to Columbia, S. C., to visit relatives.

The Young People's Aid Society of Grace Church will conduct an entertainment to-night at 8 o'clock. All invited. Small fee. And to-morrow night the Ladies' Union of this church will have their annual jubilee.

The Ladies' Lodge 123, I. O. O. F., will give an apron party at Lesner's Park to-night for benefit of the order.

Do your glasses suit you? If not see Dr. WECK, 152 Main st.

BRAMBLETON.

The "Daisy Maid Drill and Entertainment" was much enjoyed last night at Trinity M. E. Church.

Miss Sadie Spauld of East Brambleton avenue, has gone to Churchland, Va., to visit her sister, Mrs. W. T. Dalby.

Rev. J. T. Mastin was unable to fill his pulpit at McKendree Sunday. Rev. J. B. Merritt preached for him at 11 a. m.

The Brambleton W. C. T. U. will meet with Mrs. W. R. Butcher this afternoon at 4 o'clock. All members are urged to attend.

Revs. J. T. Mastin and W. B. Beauchamp will leave this afternoon for Richmond, Va., the seat of the Virginia Conference, which will convene to-morrow.

Mr. H. F. Batchelder, of Lovitt avenue, will remove his residence on the vacant lot adjoining the present site, upon which he will have erected a fine stone-front, brick building for his own occupancy.

Some months ago the Cheerful Workers of Trinity Methodist Church, obligated themselves to raise \$100 for their part of their pastor's salary. They were delighted to learn yesterday they had succeeded in their undertaking.

The following is from Mrs. Thompson, president of the King's Daughters:
The Christian men and women of this ward are earnestly requested to assist in sending a liberal donation or monthly subscription that they may meet the demands already upon them, and which will be a great relief to every woman to join this circle of Christian workers as they are well organized and work systematically, having a committee appointed each week to visit the needy and provide for same when found deserving. This circle is composed of members from every church in the ward and helps regardless of denomination. Last winter the suffering were greatly relieved. It is hoped the good work will be continued. Any one feeling disposed to assist will be glad to hear from the officers, as follows: Mrs. Thompson, 200 North Park avenue; Miss Stone, Secretary, 117 Malby avenue; Miss Bente, Treasurer, 117 West Brambleton avenue.

ATLANTIC CITY.

There were excellent congregations at Colley Memorial Church on Sunday, notwithstanding the inclement weather. There was one profession (of faith) at night.

The state of Mr. Collinda's health seems to be somewhat improved. The people of the Ward are anxious to see the cars running to Lambert's Point. By the time the workmen at Lambert's Point are seriously asking why work should be taken from them at the Point, thus throwing them without support and removed to Roanoke, it is puzzling and disappointing, especially as winter is coming on.

The Rev. L. H. Baldwin, who has been engaged as stated supply and assistant to the Rev. R. A. Robinson at Lambert's Point for a year, has entered upon his work with zeal.

Rev. J. P. Rounton's report for the past Conference year for Leakes' Memorial Church shows that the membership has increased during the past year from 213 to 257. Total number of members received by profession of faith, 52; by certificate, 15. Total losses, 14—leaving a net gain of 54. Total amount of money raised during the year, \$4,844.78—an average per member of \$18.84.

The Rev. J. T. Rounton, pastor of Leakes' Memorial Church, will leave this afternoon via the Chesapeake and Ohio railroad for Richmond, where the Virginia Annual Conference meets to-morrow.

The laymen's meeting will be held to-night at Leakes' Memorial Church, by Mr. George A. Brown, beginning at 7:30 p. m. All are invited to attend.

The little infant child of Mr. and Mrs. Harry Hitchings, of Forte street is again quite sick.

The Y. M. C. held a very interesting meeting at the residence of Miss May Weller, on Central avenue, last night.

The W. C. T. U. will meet this afternoon with Mrs. Paine, on Avenue B, at 3 o'clock.
